Kaleo Freitas from Kula Maui and Board of Director of Valley Isle Timing Association participates in Star Racing Riders Challenge, a George Bryce school and co-sponsor for this NHRA event in Florida. This may give him an opportunity to team up with Angelle Sampey, a famed and female NHRA Bike champion.

A big mahalo goes out to Kurt Buland, Nelson Jordet and Eric Kollist for finding and repairing a broken water pipe at the tower side lane, in front of the burn out box. It took a track work day of digging out the concrete trench and replacing the pipe and covering up with pavement. Valley Isle Timing Association appreciates the volunteered work. They are also great racers!
