The July 19, 2014 race was cancelled due to heavy rains predicted for this date. The Track Work Day was also cancelled due to weather. Valley Isle Timing association has certainly had their share of rain this past race season. We, as the Board apologize but our decisions are first of all for the safety of the people. Let us move on and try to finish the rest of the season, if God willing, without incident.

On August 27, 2014, Wednesday, we will have our 3<sup>rd</sup> quarter General Membership Meeting. It will be held at the Maui Electric Meeting Hall in Kahului, at 6:30 P. M. The Agenda will be as follows: 1.) Treasurer's Report. 2.) The Minutes. 3.) The Committee Reports. 4.) Topics of Discussion as of this time: Race Programs, (Summit, Bracket I, II, & III). We need as many members as possible to attend so that the Board of Directors may hear your ideas and what members want. Please attend and show your support for your club.
