## JUNE 2014 NEWSLETTER/PROGRAM

The 18<sup>th</sup> Annual George Andrade The Memorial Day Races at Maui Raceway Park will be remembered as the most eventful with trucks sliding, engine breaking, and one even overturning. All drivers were safe. There was the bike whose engine went to pieces, and the bee whose mud nest delayed the race for 1-1/2 hours, and the race that started Saturday pm and ended on Sunday at 4:04 am with 2 Fast Gas Runners-up. Finally, Sunday's race was rained out, BUT we are true diehard racers at Maui Raceway Park. We don't give up! The May 25<sup>th</sup>, Sunday race will continue at 1 pm and finish on June 21, 2014 and after that we will have our Summit race and car show! Thank you to all the Racers, Workers, Board of Directors, Members, and Spectators!
