NOVEMBER 2019 NEWSLETTER

Wind, dust and rain was on the agenda for the November two-day race this season. Friday's race was close to being cancelled due to the wind and dust. With the option that the Cash Days racers would participate with a prepped track if the conditions became feasible, VITA went ahead with getting it ready for racing. Mark Caires did an excellent job and we were able to complete Friday's program despite a 2-hour delay.

Saturday brought even stronger winds and a dust storm that this racer has never experience on Maui before. HOWEVER, we were blessed by a good downpour of rain that helped to wash down the track and settle the dust. Again, Mark went to work and did his magic with his machines. He was able to remove the dirty water and dry up the track. The sky cleared and the sun returned and he was able to prepped the track for racing. Though the wind was persistent VITA was able to complete the Saturday program.

Congratulations to all the Winners and Runner Ups.

Thank you to all the Sponsors, volunteer track workers, race participants and especially the spectators for sticking with VITA through all the challenges of this 2019 season. Without you, we would not have made it through this season. Thank you, thank you, thank you.

Please check our website at a later date as we will be posting the 2020 schedule once confirmed with the County of Maui.

The VITA Awards luncheon will be held on December 15, 2019 at Nalu's Restaurant in Kihei. Tickets are available at \$25 and may be purchased at the General Membership meeting on November 26, 2019 at the Kahului Community Center or through any of the Board members.

We wish you all a Happy and Safe Holiday Season. See you next year.
