Valley Isle Timing Association is happy to announce that our member Megan Nashwa is the recipient of the \$1,000 scholarship which will go towards her automotive classes that she is taking at Maui College. Congratulations Megan!

Speaking of Maui College we would also like to extend our appreciation to Michael Alexander and Danilo, Maui College students that have been working the burn-out boxes, helping tearing down, assisting in mopping up fuel spills and running the ET booth for several years. It would be difficult to run the events without them. Thank you for all that you do for us. Racers please thank these guys if you see them.
